Announcement

Protocol arrangements for the high level segment of the World Summit on Sustainable Development (2-4 September)

Welcoming reception

On the morning of 2 September, the President of South Africa, the United Nations Secretary-General and their spouses will co-host a welcoming reception at the Sandton Convention Centre on the fourth floor VIP Lounge in honour of Heads of State/Heads of Government, Vice-Presidents and Crown Princes (HS/HG/VP/CP) and their spouses from 7.30 a.m. to 8.50 a.m. After the reception, HS/HG/VP/CP and their spouses will be escorted to the fifth floor where the Military Liaison Officers will escort them to their seats. The VIP lounge on the fourth floor will be reserved exclusively for the use of the VVIPs throughout the high level segment of the summit.

Arrival

The dignitaries will begin arriving at the Sandton Convention Centre at 7.30 a.m. where they will be greeted and escorted by Protocol. For each delegation led by HS/HG/VP/CP (VVIP) a motorcade consisting of four vehicles will come to the Centre at two drop off points namely the tented south side main entrance and the garage south entrance. Upon arrival at the tented south side main entrance, only the VVIP and spouse will disembark the vehicle. The rest of the delegation will be dropped off at the tented north side entrance and take the elevators or escalators to their destinations. The motorcade arriving at the south side elevators in the garage will discharge the VVIP and spouse and the rest of the delegation will be dropped off at the north elevators in the garage to proceed to their destinations.

The VVIPs and spouses who stay in Michelangelo will walk to the Centre between 8 a.m. and 8.10 a.m. The VVIPs coming by foot from the Sandton Sun Intercontinental and Sandton Towers to the Centre will use the Skywalk from 8.10 a.m. to 8.20 a.m.

Access cards to the Sandton Convention Centre

Due to the tremendous concern over safety and security problems related to overcrowding in the building, it has become necessary to take additional measures to restrict the number of persons entering the Sandton Convention Centre starting 2 September.

Delegations are advised that in addition to the primary SCC passes, each delegation of Member States will be issued up to twenty access cards to the Sandton Convention Centre. It is important to note that this card will give access to the SCC, but the movements inside the Center will be further regulated by the following:

All the delegations of Member States will be issued four cards in accordance with the number of seats at the delegation tables in the plenary hall. In addition, each delegation of Member States will be issued two access cards for the designated overflow area in the back of the plenary hall.

As regards observer delegations of Inter-governmental Organizations, United Nations Specialized Agencies, and Associate Members of the United Nations Regional Economic Commissions, they will be issued up to ten access cards to the Sandton Convention Centre plus two additional cards to the plenary hall in accordance with the number of seats allocated to them at the delegation tables.

All the abovementioned cards can be picked up by authorized representatives of delegations at the accreditation center as of 29 August 2002.

Plenary meeting

During the Plenary meetings all HS/HG/VP/CP will be escorted from their delegation seats approximately five minutes before their statements to the podium and escorted back to their seats after their statements. All delegations represented at this level are requested to ensure that their heads of delegations are at their seats at least ten minutes prior to their statements.
